Pearson introduces yet another textbook from Professor R. C. Hibbeler - Fluid Mechanics in SI Units - which continues the author's commitment to empower students to master the subject.

Tired of wasting hundreds of dollars on expensive wrinkle creams, drying lotions, and zit-zappers that just don't work? Well listen up, ladies. To really get gorgeous, you've got to change the way you feed your face. Cosmetics companies, women's magazines—heck, even most doctors—will swear that food doesn't affect the skin. But celebrity dermatologist Dr. Jessica Wu knows that's just not true. After years spent battling her own pimple-prone, "problem" skin (not to mention caring for some of Hollywood's most famous faces), she's learned that what you eat has everything to do with the condition of your complexion. Packed with patient testimonials and celebrity anecdotes from stars like Katherine Heigl, Maria Bello, Kimora Lee Simmons, and Lisa Ling, FEED YOUR FACE is an easy-to-follow, 28-day diet plan that will help you banish blemishes, wipe out wrinkles, shed unwanted pounds, and generally feel better—in your clothes and in your skin. Along the way, Dr. Wu will dish the dirt on her journey from Harvard Medical School to the glamorous Hollywood Hills, while offering realistic, practical beauty and diet advice for women of all ages. Want to soften your crow's-feet? Find out which foods will turn back time. Plagued by pimples? Discover the snacks that will erase stubborn blemishes. Did you know milk doesn't

always do a body good? Feel a sunburn coming on? Learn why red wine may save your skin from peeling and flaking. What does a hard-partying rock star eat for good skin? So stop thinking about food in terms of what you can't have: no butter, no red meat, no fat, and no flavor. Instead, discover the foods that will keep you feeling full and looking gorgeous. Follow the FEED YOUR FACE Diet, and you can have pizza. You can go out for Italian, indulge in Chinese takeout, and dine at The Cheesecake Factory (with the help of the FEED YOUR FACE Restaurant Guide). Because you do have the power to change your skin. All you have to do is eat.

This overview of some of the main results and recent developments in nonlinear water waves presents fundamental aspects of the field and discusses several important topics of current research interest. It contains selected information about water-wave motion for which advanced mathematical study can be pursued, enabling readers to derive conclusions that explain observed phenomena to the greatest extent possible. The author discusses the underlying physical factors of such waves and explores the physical relevance of the mathematical results that are presented. The book is intended for mathematicians, physicists and engineers interested in the interplay between physical concepts and insights and the mathematical ideas and methods that are relevant to specific water-wave phenomena. The material is an expanded version of the author's lectures delivered at the NSF-CBMS Regional Research Conference in the Mathematical Sciences organized by the Mathematics Department of the

University of Texas-Pan American in 2010.

"There has never been a book provoking more delirium, foolishness and irrational movements, without any relationship to Jesus Christ [than the Book of Revelation]." --Jacques Ellul, Introduction Known for his trenchant critique of modernity and of those Christians who celebrate their captivity to it, Ellul here cuts to the heart of the theological intention of the Book of Revelation, and thereby reveals the liberating gospel in all its offensiveness. Neither an exhaustive commentary nor a work of historical-exegetical analysis, Apocalypse is a provocative, independent interpretation. Ellul seeks to rescue Revelation from the reassuring and orthodox banality to which commentators often reduce it. The goal is to perceive the totality of the book in its movement and structure. "Architecture in movement" is the key to understanding Revelation's puzzling but simple message. This edition also comes with a new foreword by Jacob Marques Rollison who provides an essential aid for guiding readers through Ellul's thorough engagement with Revelation.

This is a free romantic suspense book, the beginning of a romantic suspense series, although this book with this couple reads as a standalone. Twenty-six year old Jen Manko finds out the hard way that she's too trusting. Her apartment ransacked, her bank account emptied, and her heart broken, Jen has had enough and high-tails it to the only place she can think of where she will be welcomed - her brother's house. Anxious for a fresh start, Jen does something completely out of character and decides to become a

cop. Soon, the athletic beauty with the striking-pink locks captures the attention of Sergeant Hunter Foley. When she is vetted for an undercover assignment, Jen dares another feat and quickly wins the approval of the powers that be. Once embedded in the covert operation, yet another unlikely suitor is drawn to her. With two men on opposite sides of the law vying for her attention, Jen is forced to make a choice or risk having all she's worked so hard for ripped away from her. This is a spin-off of the Edge of the Heat Series. The characters from the Edge of the Heat will weave lightly in and out of the Unauthorized series. This is a standalone novel, however, there is a cliffhanger at the end that involves the H/h of the next book. Heat level: moderate. suspense or thriller level: moderate. Some swearing. 18+ categories: romantic suspense, contemporary romance, police romance, strong female protagonist, thriller, romantic thriller, suspenseful romance

Feminist before there were feminists, single parent before the term was coined, a teacher with high standards when times demanded laxity, Joyce Holsclaw is all these and more. With humor and irony she recounts years of experience and wisdom only hard times, war, divorce, love, and 79 years can teach.

Eric Rothman CEO of Rothman Enterprises had worked alongside his PA Natasha Barrington for almost a year maintaining a strong working relationship with her while enjoying a steady stream of beautiful model girlfriends that passed through his life. He did everything he could to avoid commitment,

women were for sex and to look good on his arm but slowly he began to notice something about Natasha that drew his attention and had him wanting her with a desire that was starting to consume his mind and body. It was both surprising and enlightening when one day he realized she was interested in him too and he propositioned her. One week in a hotel for sex and nothing but sex, making it perfectly clear to her that there would be nothing beyond that week. He thought he was the victor when she agreed to his terms but was the whole thing going to backfire on him? There was something about Natasha that drew him to her. She was like no other woman he'd ever been with and for the first time in his life he was fearful of being vulnerable. He had secrets about his past that made him the way he was and his PA was threatening to destroy everything he'd fought so hard for years to protect himself from.

The fifth volume in Starr's classic history of California, *The Dream Endures* shows how Californians rebounded from the Great Depression to emerge in the 1930s into what is now known as "the good life." Starr illustrates the ways the good life prospered in California--in film, fiction, leisure, and architecture. Starr looks at the newly important places where Californians lived out this sunny lifestyle: areas like Los Angeles (where Hollywood lived), Palm Springs (where Hollywood vacationed), San Diego (where the Navy went), the California Institute of Technology in Pasadena (where Einstein changed his view of the universe), and college towns like Berkeley. "In this, more than any other of Starr's monumental California histories, we see the stirrings of uniqueness in the

social and cultural evolution of California. Starr's theme is relevant to all of America and the national destiny."--Neil Morgan, San Diego Union-Tribune "Enormously sensitive and moving. Social and cultural history doesn't get any better."--San Francisco Chronicle "In his monumental continuing study of California, Kevin Starr belongs in the company of the best."--Herbert Gold, Los Angeles Times Book Review

The groundbreaking book that puts the focus on teens and young adults with social challenges This book offers parents a step-by-step guide to making and keeping friends for teens and young adults with social challenges—such as those diagnosed with autism spectrum disorder, ADHD, bipolar, or other conditions. With the book's concrete rules and steps of social etiquette, parents will be able to assist in improving conversational skills, expanding social opportunities, and developing strategies for handling peer rejection. Each chapter provides helpful overview information for parents; lessons with clear bulleted lists of key rules and steps; and expert advice on how to present the material to a teen or young adult. Throughout the book are role-playing exercises for practicing each skill, along with homework assignments to ensure the newly learned skills can be applied easily to a school, work, or other "real life" setting. The bonus DVD shows role-plays of skills covered, demonstrating the right and wrong way to enter conversations, schedule get-togethers, deal with conflict, and much more.
