Je vais te dire ce que tu n' arrives pas à formuler, a-t-il murmuré au creux de mon oreille. C' était exactement ce que tu voulais et tu as aimé ça. Dans les jours qui viennent, tu repenseras sans cesse à cette nuit et tu revivras ce frisson encore et encore. Depuis la mort de son amant, Summer est perdue. Un soir, alors qu' elle joue du violon, un inconnu la remarque et l' entraîne dans une nuit d' excès qu' elle vit comme une expiation. Après une tournée européenne au cours de laquelle la violoniste a enchaîné les aventures sans lendemain, Summer est contactée par Anthony, un homme séduisant qui lui demande de participer à l' adaptation du roman qu' elle a inspiré à Dominik. Financé par une société secrète de libertins, le spectacle mettra en scène une muse sensuelle, aussi douée pour la musique que pour les plaisirs charnels... « Un roman torride servi par une très belle plume. » Elleadore.com

Des 8713 lettres de Richard Wagner qui nous sont parvenues, le public français – l’ un des plus wagnériens du monde – connaît peu de chose, les publications existantes concernant des échanges avec un correspondant privilégié. Cet ouvrage offrira au lecteur une collection de 150 lettres traduites et commentées, chacune étant précédée par un développement biographique qui la mettra en situation, de façon à éclairer le contexte de sa rédaction. Après Dans la tête de Richard Wagner, l’ objet de cette sélection de lettres est de montrer l’ évolution du compositeur au cours de sa vie : du petit maître de chapelle au proscrit, puis de l’ exilé politique condamné à mort en Saxe au maître tout-puissant installé à Bayreuth, en passant par ses exils parisiens et ses séjours en Suisse. Cette étude montrera comment les éléments d’ une réussite aussi spectaculaire que celle de Wagner se sont lentement mis en place. La variété des correspondants (compositeurs – Liszt, Berlioz, Mendelssohn, Meyerbeer... –, interprètes, hommes politiques – Louis II de Bavière...-, écrivains, éditeurs, penseurs, femmes aimées...) révèle l’ amplitude des intérêts de Wagner et retrace son importance dans la musique, les arts et l’ histoire de son temps. Le bicentenaire de la naissance du compositeur, en 2013, est l’ occasion d’ éclairer sa vie et son œuvre.

Un prestige peint avec des notes d’ amour, des instants de bonheur, de magie, une inspiration insaisissable qui vous emmènera sur les chants de mon cœur. Ces vers vous transmettront un nouvel horizon, la véritable passion partagée, comme une renaissance avec soi-même, une symbolique réelle avec des valeurs fondamentales et absolues.

This historic book may have numerous typos, missing text or index. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. 1907. Not illustrated. Excerpt: ... CHAPTER IV. IN GERMANY. The writing of the present chapter cannot be called an inspiring task. Without Wagner's sovereign contempt for the music of his time, and Tchaikovsky's belief in Germany's complete exhaustion, one may yet be unable to grow enthusiastic over the theme. The productivity during the period with which we are concerned has been enormous. But how about the really valuable outcome of it? In the latter part of the 19th century the question was often asked: What remains if you remove from the living German composers Wagner and Brahms? And then there were ever so many people who, while heartily admitting the greatness of one of the two, were not so sure of the other--not to mention those who were all for the one and would have none whatever of the other. Now, ' this exclusive way of looking at men and things is not only unfair, it is absolutely foolish. The men of genius leave room for the men of talent; and the masters en grand for the masters en miniature. To be sure for some time past Germany has not been abounding in musical genius of the first or even second order. But if there has been a dearth of powerful original creativeness and of strikingly outstanding individuality, there has been also a goodly provision of artistic ability well deserving our respect and gratitude, ability displaying itself not merely in technical skill, but often also in imaginativeness, sensibility, and poetic charm. The great bulk of crudities, futilities, and vacuities need not trouble us: they are not peculiar to any one period. One could classify composers into (1) such as write only absolute music, and are uninfluenced by and even averse to the programmatic tendency; (2) such as write programme music, but only in the classical manner and forms; (3) such as go only ...

One kiss lasts a moment. But a thousand kisses can last a lifetime. One boy. One girl. A bond that is forged in an instant and cherished for a decade. A bond that neither time nor distance can break. A bond that will last forever. Or so they believe. When seventeen-year-old Rune Kristiansen returns from his native Norway to the sleepy town of Blossom Grove, Georgia, where he befriended Poppy Litchfield as a child, he has just one thing on his mind. Why did the girl who was one half of his soul, who promised to wait faithfully for his return, cut him off without a word of explanation? Rune's heart was broken two years ago when Poppy fell silent. When he discovers the truth, he finds that the greatest heartache is yet to come. Standalone Young Adult Tearjerker Romance. For ages 14 and up.
