violence and terror. In a deadly game where the rules change without warning, Emma and Mac must find answers or watch the innocent die in unthinkable numbers. The race is on—and there's no telling who will cross the finish line alive . . .

On what at first appears to be an ordinary day, everything changes for private banker Kayla Shaw when she barely escapes a brutal kidnapping attempt and finds herself accused of a shocking crime: the illegal laundering of hundreds of millions of dollars. Damned by lies and false "evidence," she is trapped with no place to run. After five agonizing years, landscape painter Rand McCree has finally been offered what he desires most: the name of his twin brother's murderer. Hungry for vengeance, he accepts a job that will place him in the killer's orbit . . . and tantalizingly close to Kayla Shaw. The cold-blooded international criminal responsible for Rand's brother's death has targeted Kayla as his next victim—and only Rand can stop him from killing again. Suspicious of each other, needing each other, they are two against the world as the violence of the past erupts in the present. And now innocence alone will not be enough to keep Kayla Shaw alive. . . .

The latest masterwork from one of the leading writers of suspense . . . New York Times bestselling author Elizabeth Lowell returns with a chilling tale of the law gone wrong and a kidnapping that threatens more than one life. The Wrong Hostage Orphaned at thirteen, Grace Silva clawed her way out of poverty and violence to become one of the most respected judges on the federal bench. Grace believes in the rule of law -- lives it, breathes it. She has always been buttoned up and buttoned down. Except once. Joe Faroe has learned that laws are made by politicians, and politicians are all too human. He believes in the innocents, the ones getting

ground up by governments that are too polarized or too corrupt to protect their own citizens. He's been through the political meat grinder himself. It cost him his career, his freedom, and the woman who still haunts him. Since then Faroe has worked outside the rules and politics of government as a kidnap specialist for St. Kilda Consulting, a Manhattan-based global business that concentrates on the shadow world where governments can't go. He is good at his work -- intelligent, confident, ruthless. Until a friend dies trying to kill him. Now Faroe is out of the business. Retired. He's through trying to save a world that doesn't want to be saved. Then Grace comes to him, past and present collide, and Faroe finds himself sucked back into the shadows, tracking a violent killer who holds the life of Grace's son in his bloody hands.

"This author delivers pure, undiluted excitement." —Jayne Ann Krentz "Romantic suspense is her true forte." —Minneapolis Star-Tribune "Elizabeth Lowell's keen ear for dialogue and intuitive characterizations consistently place her a cut above most writers in this genre." —Charlotte News & Observer Perennial New York Times bestselling author Elizabeth Lowell boldly puts the romance back into romantic suspense with *Beautiful Sacrifice*—a story of passion and intrigue centered around the ancient Mayan prediction of the apocalyptic end of everything. Lowell's thrillingly imaginative tale unites a dedicated female archaeologist with a former Immigration and Customs Enforcement Officer on a mission to recover priceless South American artifacts that could bring deadly chaos into our world. *Beautiful Sacrifice* is action, suspense, and love on a bestselling par with Lisa Gardner, Linda Howard, Jayne Ann Krentz, and Nora Roberts...and exactly the sort of romantic adventure that inspired Johanna Lindsey to declare, "Lowell is great!"

Jill Breck was just doing her job as a river guide when she saved the life of Lane Faroe, son of two of St. Kilda Consulting's premier operators. But when a string of ominous events—including a mysterious fire that kills her great-aunt and a furor in the Western art world raised by a dozen Breck family paintings—culminates in a threat to her life, Jill reluctantly calls in a favor. Zach Balfour works part-time as a consultant for St. Kilda. His expertise is gathering and analyzing information from unlikely and often dangerous sources. Though he's got the skills to be a highly effective bodyguard, being a bullet catcher isn't his preferred way to spend time. Protecting Jill will take him into familiar territory—among a strange, savagely competitive bunch of collectors who'll do anything to stay at the top. But Jill is in deeper waters than she's ever known; as she soon discovers, the perils of running wild rivers are tame compared with the hidden dangers in the high-stakes game of art collecting. From the cozy rooms of the Breck homestead cabin to the cold multimillion-dollar galleries of the Western art circuit, Zach and Jill must race against time to unmask a ruthless killer hidden in a blue smoke of money, threats, lies, and death. . . .

hundreds of people, and left them seeking justice...or revenge. When Ali's parents lose their life savings to a Ponzi scheme, her father goes to confront his longtime friend and financial advisor, only to stumble upon the scene of a bloody double homicide. With her father suddenly a prime suspect, Ali and her husband work to clear his name and seek justice for her parents, as well as the rest of the scheme's suddenly impoverished victims. But if Ali's father is innocent, that can mean only one thing: one of the others is a stone cold killer. Publishers Weekly promises "series fans will enjoy this highly personal case." Provocative and gripping, Clawback is further proof that no one writes suspenseful thrillers quite like J.A. Jance.

In this "heart-stopping" (Publishers Weekly) page-turner from New York Times bestselling author J.A. Jance, Ali Reynolds finds herself working against the police to clear two innocent names. Former reporter Ali Reynolds finds herself working against the police to add up the clues that connect one frightened teenager, two dead bodies, and \$300,000...with the body count rising. Hired to investigate the grisly murder of a gold-digging divorcée on behalf of the woman accused of the crime, Ali Reynolds is immediately drawn to the case of the secretive teenager who found the body. A. J. Sanders was in the Camp Verde desert to retrieve a mystery box buried by his absent father—a box that turns out to be filled with hundreds of thousands of dollars' worth of poker chips. When a second body is found in the desert, it seems the three cases are more closely related than anyone could have imagined. Though Ali's friends in the police department grow increasingly irritated by her involvement, Ali must stop a ruthless killer from claiming another victim...before she is lost in this game of deadly stakes.
