As a final installment in a military career wrought with horrid events, Jess is sent to rescue a Braugh warrior and his men from prison. All she wants is to be safely on her home planet to forget her throwback status and find a normal existence. The warrior's intimidating size and raw strength contrast with his tender nature, skillful lips and gentle touch, awakening sexual urges she thought had been stripped away years prior. Shane knows the piercings adorning Jess' body once created pain and taught her to suppress arousal and desire. And he knows what's needed to take her beyond the torture. But providing a sexual release may prove easier than convincing her something stronger lies between them. All he needs to claim his angel, in every way, is her consent.
