Harvesting the Heart — Jodi Picoult. I do quite enjoy Jodi Picoult's books but have started to find them a bit formulaic. this one is a bit different. I thought when I read this that it must be a newer book but it is apparently one of her older works. I have to say I prefer this to others she wrote later then.

reviews: Harvesting the

I have read all of Jodi
Picoults books and loved
each one to the point I cant
put them down. Unfortunately
I found harvesting of the
heart boring and dull. I
found the characters hard to
relate to and just couldnt
get in to the story, I
actually only read half of
it and then gave up. I do
thoroughly recommend all
Jodis other books though!
