Jake recounts his second grade introduction to Link Baxter, SuperBully, who becomes his class project partner, with surprising results. When Jake was three years old at Miss Lulu's Dainty Diaper Day Care Center, what did he know about bullies? Nothing. But he learned fast! Why? Because Jake was kind of smart and not a tattletale, and he had no big brother to protect him. He was a perfect bully magnet. But everything changed the year Jake was in second grade. That's when SuperBully Link Baxter moved to town. Jake had his hands full just trying to survive, until class project time. Who did the teacher assign to be Link's partner? You guessed it. Jake has to use all his smarts -- and his heart as well -- to turn himself from Jake Drake, Bully Magnet, to Jake Drake, Bully Buster.

Knock, knock. Who's there? Jake. Jake who? Jake Drake, Class Clown. Miss Bruce is the new student teacher in second grade, and she never smiles. Never. But when Jake cracks up the class during a spelling bee, he sees the tiniest hint of a smile at the corner of her mouth. Suddenly, Jake has a new mission in life: to be so funny that even Miss Bruce will laugh! But then things get out of hand, and Jake finds himself in big trouble. Has Jake discovered -- too late -- that not everybody loves a clown?

As the end of sixth grade nears, Jordan Johnson, unhappy that she is only average in appearance, intelligence, and athletic ability, reveals her special skills when disaster strikes her central Illinois elementary school.

Ordinarily, no one would have imagined that Jack Rankin would vandalize a desk. But this was not an ordinary school year for Jack.... When Jack Rankin learns that he is going to spend the fifth grade in the old high school -- the building where his father works as a janitor -- he dreads the start of school. Jack manages to get through the first month without the kids catching on. Then comes the disastrous day when one of his classmates loses his lunch all over the floor. John the janitor is called in to clean up, and he does the unthinkable -- he turns to Jack with a big smile and says, "Hi, son." Jack performs an act of revenge and gets himself into a sticky situation. His punishment is to assist the janitor after school for three weeks. The work is tedious, not to mention humiliating. But there is one perk, janitors have access to keys, keys to secret places....

Batman Unauthorized explores Batman's motivations and actions, as well as those of his foes. Batman is a creature of the night, more about vengeance than justice, more plagued by doubts than full of self-assurance, and more darkness than light. He has no superpowers, just skill, drive and a really well-made suit. One of the most recognized superheroes ever created, Batman has survived through campy TV shows and films, through actors such as Adam West, Michael Keaton and Christian Bale. Batman Unauthorized: Vigilantes, Jokers, and Heroes in Gotham City covers expansive territory ranging from the silly to the solemn. Why is the Joker so good at pushing Batman's buttons? What does Batman's technology say about the times? Why are Batman's villains crazier than average? And why is Batman the perfect, iconic American hero?
