Although anyone taking the LMSW exam is, of course, interested in social work, reading the exam content in a study guide can be a bit dry. So, I recommend reading in short bursts of time (15-20 minutes) to ensure that you're really taking the information in, not checking out as you read. I also found that it was easy to fit in a quick 15-20 minute study session several times throughout the day, instead of carving out several hours of dedicated study time (that would come later!)
