You may think you know the love triangle, but you've never seen love triangles like these. These top YA authors tackle the much-debated trope of the love triangle, and the result is sixteen fresh, diverse, and romantic stories you don't want to miss. This collection, edited by Natalie C. Parker, contains stories written by Renee Ahdieh, Rae Carson, Brandy Colbert, Katie Cotugno, Lamar Giles, Tessa Gratton, Bethany Hagan, Justina Ireland, Alaya Dawn Johnson, EK Johnston, Julie Murphy, Garth Nix, Natalie C. Parker, Veronica Roth, Sabaa Tahir, and Brenna Yovanoff. A teen girl who offers kissing lessons. Zombies in the Civil War South. The girl next door, the boy who loves her, and the girl who loves them both. Vampires at a boarding school. Three teens fighting monsters in an abandoned video rental store. Literally the last three people on the planet. What do all these stories have in common? The love triangle.

A girl's quest to find her father leads her to an extended family of magical fighting booksellers who police the mythical Old World of England when it intrudes on the modern world. From the bestselling master of teen fantasy, Garth Nix. In a slightly alternate London in 1983, Susan Arkshaw is looking for her father, a man she has never met. Crime boss Frank Thringley might be able to help her, but Susan doesn't get time to ask Frank any questions before he is turned to dust by the prick of a silver hatpin in the hands of the outrageously attractive Merlin. Merlin is a young left-handed bookseller (one of the fighting ones), who with the right-handed booksellers (the intellectual ones), are an extended family of magical beings who police the mythic and legendary Old World when it intrudes on the modern world, in addition to running several bookshops. Susan's search for her father begins with her mother's possibly misremembered or misspelt surnames, a reading room ticket, and a silver cigarette case engraved with something that might be a coat of arms. Merlin has a quest of his own, to find the Old World entity who used ordinary criminals to kill his mother. As he and his sister, the right-handed bookseller Vivien, tread in the path of a botched or covered-up police investigation from years past, they find this quest strangely overlaps with Susan's. Who or what was her father? Susan, Merlin, and Vivien must find out, as the Old World erupts dangerously into the New.

Monsters, mystery, and magic abound in this stunning, illustrated collection of original fairy tales from the World of Warcraft universe, as told by an all-star cast of bestselling, award-winning storytellers. The power of stories is felt and known in every corner of Azeroth. From the windswept fields of the Eastern Kingdoms to the bustling city of Gadgetzan, differences were bridged by common tales of average people overcoming incredible odds. Lessons learned from cautionary tales tempered many brave heroes and brought them safely home, while stories of adventure spurred history's most remarkable actors to greatness. Now you too can settle in, lay down your armor, and listen to the wondrous tales of adventure and peril in the Folk and Fairy Tales of Azeroth. Brimming with gorgeous artwork and twelve inspired stories crafted by fantasy's brightest authors including Garth Nix, Catherynne M. Valente, Kami Garcia, and more, this enchanting anthology brings new voices, new meaning, and new wonder to World of Warcraft.
