Tessa now owns the ranch like she's always dreamed—but it's in trouble. Dozens of horses have been lost and she's on the brink of bankruptcy. To save his family's business, Josh offers to buy it from her...and share the ranch house with her once again. Tessa chafes at needing Josh's help, but she's never forgotten the taste of pleasure Josh gave her so long ago. Soon, neither of them can resist the desire mounting between them, and unleash a passion that is even more powerful than Tessa's pride... 35,300 words

The very short prequel to Tessa's Pride by Olivia Brynn Cowgirl Tessa McCade has a rare day off from Bradley Equine Ranch, and she's got a plan. She mounts her favorite horse to ride to a secluded spot on the Montana horse ranch with a book, a snack, and a towel for skinny-dipping. When her boss—Joshua Bradley himself—joins her, Tessa knows it will take all her strength to keep her feelings for the man at bay. If there's one thing Tessa didn't plan on today, it's Josh's surprising admission. \*Bonus! Includes the first two chapters of Tessa's Pride!\*

Nothing like a rocky start between enemy coworkers stuck together on location to prove that love isn't just a ploy for ratings--it's a force of nature. Alia Dunn has finally gotten her big break. After years of working her way up at TV's top outdoor travel channel, she gets the green light from network executives to bring her dream project to life: produce a series about Utah's national parks. It's a touching tribute to her late apong, who sparked Alia's passion for travel and the outdoors as a kid. Alia is thrilled--until she meets her newest crew member, Drew Irons. The same Drew she had the most amazing first date with two weeks ago--who then ghosted her. The same Drew who has the most deliciously thick forearms and who loves second-guessing her every move on set in front of the entire crew. It's not long before the tension between them turns hotter than the Utah desert in the dead of summer, and their steamy encounters lead to major feelings. But when the series host goes rogue one too many times, jeopardizing the entire shoot, Alia realizes that she'll need to organize one hell of a coup to save her show--and she'll need Drew's help to do it. It's the riskiest move she's ever made. If she pulls it off, she'll end up with a hit series and her dream guy . . . but if it all goes wrong, she could lose both.

Sidney has crushed on her boss Grant for over two years. When she finally pushes him to his breaking point, they both end up winning. He could be charged with sexual harassment, accused of favoritism, or worse--they could both be unemployed. Grant is willing to risk it all to dip his pen in the company ink.

She 's an author. She 's a mother. She 's a wife. She 's a fraud, a woman marked and bound by her own deceit. Experience the astounding tale of how Anonymous battled through a year of scandals and betrayals, how her world fell from its axis with a single choice, and how she lost herself between reality and fantasy.

There are two things I know for certain: horses are better than people, and women are more trouble than they're worth. The revolution in Paravel was a celebration, for most. There's just a different set of assholes at the top, kicking down the ones below them. And that's where I am, at the bottom of the pile, and luscious and brazen Lady Aubrey is at the very top. She parades around my stables like she owns the place, wiggling that fine ass in her tight-fitting jodhpurs. It's not the first time a society girl has thrown herself at me to make Daddy angry, but this is the first one I've wanted to catch and toss down in the hay. Aubrey is a filly who refuses to be tamed. I'm determined to break her in and make her mine--before my family's past rears its ugly, traitorous head, and she's snatched from me forever. AUTHOR'S

NOTE: Cassian Bellerose is a bad-tempered beast with his eye on a high-class filly. The Court of Paravel books continue chronologically. It's recommended that they're read in order.

You can't get blood from a stone. That's what Maureen Sullivan's mother always told her, but now it's collection time, and bill collectors aren't after blood; they want money. At this point, she'd do just about anything...for a price. To get her mother out of the red, Maureen packs her tiny nest egg and runs to Las Vegas, hoping for a miracle. The last thing Maureen needs right now is to fall for sexy Nicholas Webster, who's used to getting everything he wants.
