The Perception Deception or...It's ALL Bollocks-Yes, ALL ...

David Icke: The Perception Deception. What the hidden Control System seeks to do - and is very effective in doing - is to make us self-identify with the body vehicle rather than the true self, our Consciousness which is experiencing through the vehicle.

Therefore, we are programmed from birth to identify self with the body and its name, job, colour, race, etc., etc.

Deception | Mind Bending Truth

The point has now been reached where that is having such an effect in getting people to say "Well hold on, maybe the world's not like I thought it was", the game is on now to stop that information circulating and this is what the perception deception is. It's manipulating perceptions that suit an agenda of human control and doing everything they can to stop people having the perception that will see through the games, see through the smokescreens of manipulation.

cdsmiller17. I've known
about David Icke's campaign
to wake up the world since
his infamous Terry Wogan
interview in the early
1990's. The things he says
would be the subject of
defamation lawsuits if
anyone else had said them,
but because the public's
perception of him is that
he's a 'nutter', no one
seems to bother...

the forces that manipulate our world. What was once ridiculed and dismissed is now being confirmed again and again as Icke, a figure of fun for so long, is acknowledged as a man way ahead of his time.

The Perception Deception - Part One | David Icke | download

But the deception part comes when the greatest sense organ of all starts interpreting that data. The actual perception of reality that we deal with daily comes from the brain. The brain interprets signals from the senses and forms images from them. It does

that based partly on what
the senses report, but also
on other things.

Perception Deception and Overcoming Its Control - Solar Wind

As nouns the difference
between perception and
deception is that perception
is organization,
identification, and
interpretation of sensory
information while deception
is disappointment.

Perception vs Deception - What's the difference? | WikiDiff

Social perception, or the
ability to identify and use
social cues about people and

relationships, is another important type of perception. How It Works The perceptual process is a sequence of steps that begins with the environment and leads to our perception of a stimulus and action in response to the stimulus.

What Is Perception?

Stereotyping : It is the effect caused by forming a certain belief about a category of stimuli and generalizing that notion to encounters with each member of that category. In reality, there is a difference between the perceived notion of each category and the actual

"does not, as a rule,
involve falsehood and
deception, whereas these are
important ingredients of
perception management; the
purpose is to get the other
side to believe what one
wishes it to believe,
whatever the truth may be."
