This is a comprehensive collection of American short stories starting with Washington Irving and going through to Ann Beattie. All of the writers are very well known and I make no attempt to rate the stories. One could make the argument that these are not the best short stories from each author, but as a group it is an impressive collection.

~~The Treasury of American Short Stories: Sullivan, Nancy~~ ...

In The Oxford Book of American Short Stories, Joyce Carol Oates offers a sweeping survey of American short fiction, in a collection of nearly sixty tales that combines classic works with many "different, unexpected" gems, and that invites readers to explore a wealth of important pieces by women and minority writers. Some selections simply can't be improved on, Oates admits, and she happily ...
